

## Termly Bulletin from the RHS Alumni and Development Office Autumn 2019

### NETWORKING PROGRAMME 2019/20

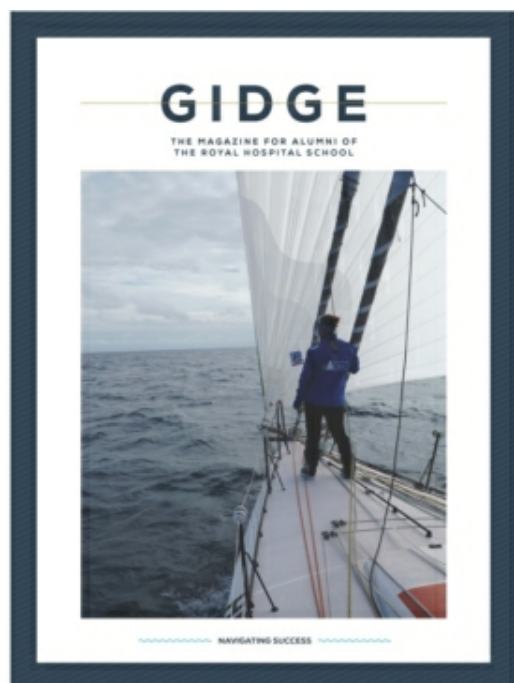

The Professional Networking Programme is unique to RHS and exists to help you develop relationships, further your goals, and inspire the next generation.

Each event is free and easily accessible. The format is very simple. Those under the age of 25 are invited to arrive at 18:30 to hear up to five alumni who will tell their story. We explore their industry, the career opportunities within their sector, and top tips to those just starting out. At 19:00 those over the age of 25 arrive and the networking for everyone begins - with complimentary drinks and canapés. A full list of attendees and their sectors is sent out in advance, which enables you to plan your networking. Sixth form pupils also attend to make the most of the friendly and supportive opportunity.

Last year there were five events, bringing together over 300 alumni, pupil and staff. We also have 25 speakers from sectors such as marketing, finance, technology, strategic planning, armed forces, insurance, sales, digital, management consultancy, to name a few.

Our aim this year is to connect with more than 500 of you. We will be holding 6 networking events: three in London (19 November, 18 February and in May), three regional events will be held in Nottingham (22 October), Edinburgh (10 March) and Portsmouth (2 June). Bookings are open for all the events.

### TELL US WHAT YOU THINK?

In early September the new annual Gidge publication dropped through the letterbox of 5000 UK alumni addresses and was emailed as a link to those overseas.

We would love to hear your feedback. What did you enjoy most? How can we improve the publication? Is there anything missing?

If you haven't had a chance to read it yet, click this link: [Gidge Magazine](#)

## THE CENTENNIAL BURSARY FUND:

### Your #partofRHS

In September 2019, our first pupil funded by the alumni and community began their RHS journey.

In order to grow the fund and help many others, you told us we need a bit more fun in our fundraising. So we've begun 'Your #partofRHS' to give regular supporters the opportunity to name any (accessible) part of RHS for 24 hours. Our thanks to former chorister Professor Alan Thornhill (Hawke 1986) for stepping up first.

What would be 'Your #partofRHS'?

By pledging as little as £5 a month you can make a difference through the Centennial Fund. The aim is simple: to transform 100 children's lives by our Holbrook Centenary in 2033. Together we will do this through tax efficient donations, partnerships with other organisations, and career opportunities.

Please donate now or visit, call or email the Alumni and Development Office (details below) to explore how you can make a difference. Cheques can be made payable to the *Royal Hospital School Charitable Trust*.

## RHS CAREERS NETWORK

With over 1,800 members, this group provides an excellent platform to connect alumni of all ages on a professional basis, it gives people the opportunity to lend a 'helping hand' to members of our school community by providing professional contacts, mentoring, placements, internships and apprenticeships.
