

GOVERNANCE AND LEADERSHIP & MANAGEMENT

HOW IT IS ASSESSED

This section aims to ensure that the governing body provides effective oversight of the school and discharges its responsibilities for educational standards, statutory requirements, financial planning, and investment in staff, accommodation and resources. The Inspectors also look at the effectiveness of the leadership and management of the school at all levels.

HOW RHS PERFORMS

“GOVERNANCE PROVIDES STRONG AND FOCUSED SUPPORT FOR THE SCHOOL’S AIMS... AND IS WHOLLY COMMITTED TO IMPROVEMENTS IN THE SCHOOL, INCLUDING THE RAISING OF ACADEMIC STANDARDS... THE SCHOOL HAS A CLEARLY ARTICULATED, AMBITIOUS STRATEGIC DEVELOPMENT PLAN THAT IS PROMOTED BY SENIOR LEADERS AND MANAGERS AT ALL LEVELS...”

THE ROYAL HOSPITAL SCHOOL PRE-INSPECTION QUESTIONNAIRES

Pre-inspection questionnaires were sent out to parents and the responses show “**extremely high levels of satisfaction with the education and support provided for their children, and with the quality of communication with the school.**”
